

# **APPRENTICESHIP VACANCIES MECHANICAL ENGINEERING TECHNICIANS and UNIVERSAL CYLINDRICAL AND SURFACE GRINDING TECHNICIANS**

## **The Apprenticeships**

We are looking for talented individuals to join our apprenticeship programme.

The apprenticeship is a 4-year programme, commencing August 2019. During the apprenticeship you will have the opportunity to earn a salary and achieve recognised qualifications whilst gaining practical hands-on experience.

The apprenticeship includes manufacturing processes such as Milling, Turning and Hand Work using a range of equipment including CNC and manual machines. It will also involve the production of reports, reading and understanding technical data and drawings.

The apprenticeship may include an element of electrical study.

Universal Cylindrical and Surface Grinding Technicians will join our team of experienced technicians.

## **Qualifications/Experience**

No experience is required but candidates must have, or are expected to achieve, a minimum of 4 relevant GCSEs, grades 9 to 5, including Maths and English.

Applicants must display appropriate engineering characteristics and have a genuine interest in engineering/product manufacture, combined with practical ability and a desire to become a first-class engineer.

## **Training**

Successful candidates will be placed on a training program which will include attending college on a day-release basis. At the end of the apprenticeship apprentices are expected to have completed a Level 2 Foundation Competence in Mechanical Engineering and a Level 3 EAL Technical Certificate, or higher, depending on ability.

## **Hours of work**

39 Hours per week.

## **Package**

Attractive starting wage  
Access to Stakeholder Pension Scheme (once eligible)  
Private Family Healthcare (once eligible)  
25 Days Holiday  
Good clean & modern factory with canteen and on-site parking.

## **To Apply**

All application forms must be accompanied by a full CV and covering letter.

Application forms and further information can be downloaded from our website and are also available from our Devizes Office, contactable on 01380 722421.

**Closing Date: Friday 1<sup>st</sup> March 2019**
