

# APPRENTICESHIP VACANCIES

## MECHANICAL ENGINEERING TECHNICIANS

### Devizes

#### **The Apprenticeships**

We are seeking talented individuals to join our award-winning Mechanical Engineering Apprenticeship Programme, in Devizes.

The Mechanical Engineering Apprenticeship is a 4-year programme, commencing September 2020. During the apprenticeship you will have the opportunity to earn a salary and achieve recognised qualifications whilst gaining practical hands-on experience.

The apprenticeship includes manufacturing processes such as Milling, Turning and Hand Work using a range of equipment including CNC and manual machines. It will also involve the production of reports, reading and understanding technical data and drawings.

The apprenticeship may also include an element of electrical study.

#### **Qualifications/Experience**

No experience is required but candidates must have, or expect to achieve, a minimum of 4 GCSEs, grades 9 to 4, in relevant subjects, including Maths and English.

Applicants must display appropriate engineering abilities and have a genuine and proven interest in engineering/product manufacture, combined with the practical ability and desire to become a first-class engineer.

#### **Training**

Successful candidates will be placed on a training program which will include attending Wiltshire College on a day-release basis. At the end of the apprenticeship apprentices are expected to have completed a Level 2 Foundation Competence in Mechanical Engineering and a Level 3 EAL Technical Certificate, or higher, depending on ability.

#### **Hours of work**

39 Hours per week.

#### **Package**

4-year fixed term contract  
Attractive starting wage  
Access to Stakeholder Pension Scheme (once eligible)  
Private Family Healthcare (once eligible)  
25 Days Holiday  
Good clean & modern factory with canteen and on-site parking
