

APPRENTICESHIP VACANCIES

Mechanical Engineering Technician x 2

Maintenance Technician x 1

Bath

The Apprenticeships

We are looking for talented individuals to join our Apprenticeship Programme in Bath.

The apprenticeship is a 4-year programme, commencing September 2020. During the apprenticeship you will have the opportunity to earn a salary and achieve recognised qualifications whilst gaining practical hands-on experience.

Mechanical Engineering Technician: Manufacturing including processes such as Milling, Turning, Welding and Hand Work using a range of equipment including CNC and manual machines. It will also involve the production of reports, reading and understanding technical data and drawings.

Maintenance Technician: Installation, maintenance and repair of electrical services (e.g. lighting, sockets, plant services), understand wiring and circuit diagrams, inspect and test electrical installations, diagnose and rectify faults on a range of circuits and equipment. Working indoors and outdoors with some work at height and in confined spaces.

Qualifications/Experience

No experience is required for either position, but candidates must have, or are expected to achieve, a minimum of 4 GCSEs, grades 9 to 4, in relevant subjects, including Maths and English.

Applicants must display appropriate engineering abilities and have a genuine interest in engineering/electrical/product manufacture with practical ability and a desire to become a first-class engineer.

Training

Successful candidates will be placed on a training program which will include attending Bath College on a day-release basis.

Hours of work

39 Hours per week.

Package

Attractive starting wage
Access to Stakeholder Pension Scheme (once eligible)
Private Family Healthcare (once eligible)
25 Days Holiday
Good clean & modern factory with canteen and on-site parking
